**FEDERAL COMMUNICATIONS COMMISSION**

**47 CFR Part 73**

**[DA 17-757]**

**Radio Broadcasting Services; Various Locations**

**AGENCY:** Federal Communications Commission.

**ACTION:** Final rule.

**SUMMARY:** This document amends the FM Table of Allotments, of the Commission's rules, by reinstating certain vacant FM allotments. These FM allotments are considered vacant because of the cancellation of the associated authorizations and licenses, or the dismissal of long-form auction applications. These vacant FM allotments have previously undergone notice and comment rule making. Reinstatement of the vacant allotments is merely a ministerial action to effectuate licensing procedures. Therefore, we find for good cause that further notice and comment are unnecessary.

information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104-13. The Commission will not send a copy of the Order in a report to be sent to Congress and the Government Accountability Office pursuant to the Congressional Review Act, see 5 U.S.C. 801(a)(1)(A) because the Order is a ministerial action.

Provisions of the Regulatory Flexibility Act of 1980 do not apply to this proceeding.
